WESTERLY AND VICINITY

Yoakum Speeders Did Twenty-Five Miles in Thirty Minutes—David Thompson's Gift of Saws Gets Him Jail Sentence—Gavitt Case on Trial—State Officers Visit Hancock W. R. C.

It was fortunate for the chauffeurs of the automobile bearing members of the Rhode Island state board and the Yoakum good roads party from Oklahoma, Arkansas and Texas that Chief of Police Bransfield of Westerly happened to be in attendance at the superior court session at Kingston Monday.

After the party had toured from Providence through East Providence, Warren, Bristol, Portsmouth, Newport to Saunderson, and dined at Farragut Pier, the hour was 4:10 and Westerly was twenty-five miles away. The train, the Yoakums wanted to take towards New London was due to leave at 4:46. It was therefore essential to make the run in thirty-six minutes, and the speed limit in Rhode Island is twenty-five miles an hour. The train arrived in Westerly on time and the Yoakums and representatives of the Rhode Island state board had been on the station platform just six minutes waiting for the train, the party having ample time for handshaking and general expressions of appreciation and good will. The twenty-five miles was covered by the automobile in just thirty minutes. The speed law was violated, the violators caught the train, and the law violators escaped arrest.

David Thompson, who was accused of furnishing saws to John Bernard Xavier Mandeville de Mornay Hall, to aid the latter in his escape from the Kingston jail, was found guilty by the jury, after fifteen minutes' deliberation in the superior court at Kingston. He was sentenced on Tuesday to four months in the Providence county jail and to pay the costs.

The next case tried was that of Chief of Police Bransfield against Oliver E. Gavitt, charged with keeping a saloon, although within the jurisdiction of the Westerly postoffice, and there the jury issue is on the liquor question. Three years ago there were licensed saloons in Pawcatuck, and in 1904 the town of Stonington slipped into the license column. The next year and the next no-license prevailed, but claim is made that the sale of liquor has not materially lessened.

While all is serene in Westerly in political circles, there are things doing over the river in Pawcatuck, which happens to be in the Land of Steady Habits, although within the jurisdiction of the Westerly postoffice, and there the jury issue is on the liquor question. Three years ago there were licensed saloons in Pawcatuck, and in 1904 the town of Stonington slipped into the license column. The next year and the next no-license prevailed, but claim is made that the sale of liquor has not materially lessened.

A prominent resident of Pawcatuck stated Tuesday that he had never voted for license, but that he was seriously considering voting that way next month. He gave no reason for this, but claim is made that the liquor was being sold under cover in many places in Pawcatuck, and that drinking clubs have been organized, have swelled in membership and thrive since no-license prevailed. He claimed that there was no determined effort to stop the illegal sale of intoxicants, and that therefore he thought it better to license and increase the revenue of the town, and have the business conducted under the customary legal restrictions.

He said the time has gone by when Pawcatuck people are required to enter the no-license town of Westerly to get a drink or a task of which intoxicates.

Local Laconies.
The Westerly high school is not represented in the new freshman class at Brown university.

The free evening school in Westerly opens next Monday in the Pleasant street school house.

Michael Farley and his daughter, Susie, left Westerly Tuesday for their winter home in Anniston, Alabama.

I. Everett Vail, who has spent the summer in Westerly, returned Tuesday to his home in Washington, D. C.

Henry A. Stahl of Pawcatuck has announced his candidacy for re-nomination as a selectman for the town of Stonington.

Effort is being made to have the

COVERED WITH HIVES
Child a Mass of Dreadful Sores, Itching, Irritating Humor for 2 Months—Little Sufferer in Terrible Plight.

DISEASE CURED BY CUTICURA
"My six year old daughter had the dreadful disease called hives for two months. She became affected by playing with children who had it. By scratching she caused large sores which were irritating. Her body was a complete sore but it was worse on her arms and back. She consulted a physician who left medicine but it did not help her and I tried several remedies but without avail. See the Cuticura Remedies advertised. I thought I would try them. I gave her a hot bath daily with Cuticura Soap and anointed her body with Cuticura Ointment. The first treatment relieved the itching and in a short time the disease disappeared. Mrs. George L. Fridhoff, Warren, Mich., June 30 and July 15, '08."

Do It Now
Have that old-fashioned, unsanitary plumbing replaced by new and modern open plumbing. It will repay you in the increase of health and saving of doctor's bills. Overhauling and re-fitting thoroughly done. Let me give you a figure for replacing all the old plumbing with the modern kind that will keep out the sewer gas. The work will be first-class and the price reasonable.

The Plaut-Cadden Co.

ESTABLISHED 1872

Great Removal Sale

ONLY A SHORT WHILE LEFT

Owing to the Short Time Left, and the Enormous Stock we have on Hand, we have Made EXTRA REDUCTIONS TO CLOSE OUT

Think of this fine stock of especially chosen Holiday goods, 1909-10 styles, now at Removal Sale of 1-3 to 1-2 off the regular established prices.

It is almost the old saying of "Gold dollars for fifty cents," because our prices are recognized as "right" throughout the entire state, and every article is of standard value. The value of such goods as these is practically permanent and certainly will not change for years to come, therefore this sale means thousands of dollars saved to wise buyers. This is the time to purchase holiday gifts.

Our business has increased so rapidly that despite many building enlargements we have entirely outgrown our present building and have got to vacate for larger quarters. These are plain facts, and anyone who does not take advantage of this sale is throwing away a rare opportunity.

Elgin and Waltham Watches, brand new, regular standard value \$10 to \$30, removal price \$5.25 to \$14; others at higher prices. Gold Rings, Etc., removal sale price \$1 and up. Clocks especially reduced to close out a large line, \$8; Clocks \$5, etc. Field Glasses 1-2 to 1-3 off. Large lot of Umbrellas; a good one may now be had for 85c; \$15 Umbrellas now \$7.50. Special reductions in Silver Toilet Sets.

We will name a few other articles to show that everyone will need something at this great sale. Eye Glass Chains, Eye Glasses, Reading Glasses, Opera Glasses, Automobile Goggles, Eye Shields, Leather Bags (all kinds), Brooches and Hat Pins, Candelabras, and anything in the jewelry line.

Our fine stock of first quality Diamonds was never more complete. They are going at prices regardless of cost. Our special line of \$2.50 Gold Glasses, while they last at \$1, including case. Our regular line Rimless and Gold Glasses at greatly reduced prices during this sale.

All Glasses fitted by our graduate optician. Remember, we guarantee everything—we are still going to be right here in town and will make our guarantee good. Open evenings this week.
